## LOCAL AND PERSONAL

James Burton, Etheridge Taylor and Pink West of Elida were business visitors Monday.

J. A. and Lee Kimmons are erecting another windmill on their ranch east of Kenna.

J. Paul King of Amarillo, was the guest of his mother, Mrs. J. B. King, of Thornham last week.

Monday C. S. Wilson pulled his well drill out to the New Hope country where he will drill wells for J. R. and Henry Miller.

Mrs. J. B. King and Miss Lena came in from the ranch last Saturday and were the guest of Mrs. J. G. Greaves over Sunday.

John Rogers has bought the Smith house on the hill just west of town and is moving the same to his place near Valley View. Consideration was \$150.

John T. Long, Clarence W. Long and Seth Long have all sold their holdings in the Olive community and will start for the East soon. We regret to see these good people leaving us, but knowing that they have better opportunities ahead of them, we can not expect them to stay.

If the Schakleford-Bankhead road bill, which has passed both houses of Congress and is now before President Wilson for his signature, becomes a law, New Mexico will be entitled to \$1,235,250 for state and other highways, and approximately \$1,000,000 additional for roads through National forests.

The bill appropriates \$75,000,000 from the Federal treasury for road work in the various states to be expended in that period by each of the states. In addition, the bill appropriates a total of \$10,000,000 for roads through National forests. It is estimated that New Mexico's share of this latter appropriation would be \$1,000,000.

## Sears-Roebuck's Tactics.

Herman Rosenfield, advertising manager of Sears, Roebuck & Co., recently told the members of the American Ad Club at a convention; "We have a bureau whose duty is to read the country newspapers from all over the country. There is not a paper of any consequence in our territory that our bureau does not get. This bureau looks over these papers and when we find a town where the merchants are not advertising in the local papers we immediately flood the territory with our literature. It always has brought results far in excess of the same effort put forth in territory where the local merchants use their local papers."—Ex.

## LIVESTOCK

Kansas City, Monday, July 10, 1916.—The cattle market has shown signs of weakness, but killers need a good many cattle to keep up with urgent orders, and the market closed last week, stronger. Cows sold good all week, account of scarcity. Stockers and feeders sold about steady, except the usual bargains Thursday and Friday, when sales were a quarter lower. The supply of cattle today is 18000, market weak to 15 lower, cows selling best.

## BEEF CATTLE.

Dry lot cattle sold at \$10.30 today, although prime steers in this class are worth up to 10.75. Some Missouri corn and grass steers brought 10.10, others down to 9.50. Kansas wintered steers that brought 9.30 last Wednesday sold at 9.00 today, other sales of Kansas wintered steers at 8.30 to 8.75. A string of pulp fed Westerns brought 10.20, as compared with the sale of some of their mates at St. Joseph at 9.80 to 10.00. A liberal supply of quarantine cattle came in, 167 car loads, and salesmen would not accept early bids, made on a 10 to 20 lower basis. Good North Texas fed steers sold later at 8.00 to 8.65, Oklahoma grass steers at 6.50 to 7.75, South Texas dry weather steers 6.25 to 7.00. Cows sold steady in the quarantine division, some medium ones at 5.50, grass cows from Kansas 8.25 and 6.35, best fed cows around 8.00, bulls 6.00 to 7.50, veals up to 11.25.

## STOCKERS AND FEEDERS

There is an immense number of inquiries coming in from prospective stocker and feeder buyers. Prices closed last week some lower, and sales today are weak to 10 lower. Normally, the demand will be heaviest ever known, beginning whenever the cattle are available. Most of the good stockers sell at 7.00 to 7.50, some Panhandle reds at 7.40 today, and some plain Oklahomas at 6.65. Choice White Faces bring 7.75 to 8.00, and feeders sell at 7.25 to 8.50.

## HOGS

The hog market showed strength all last week, with feeble attempts of buyers to enforce declines. The supply today is 9400 head, market almost steady, although it was called 5 to 10 lower at the start. Top paid for heavy hogs was 10.10, equal to the best price Friday. Bulk of sales ranges from 9.80 to 10.05, and best lights up to 9.95. Pigs sell good at 9 to 9.50, getting competition from immune dealers and from killers. Order buyers have been a strong feature for a week, paying up to the top for medium weight hogs nearly every day.

## SHEEP AND LAMBS.

Lambs advanced 25 to 50 cents

last week and are 15 to 25 higher today, choice springs worth up to 11.00. Arizonas today at 10.25 to 10.60, total receipts 4300 head. Light receipts here mean relatively high market indefinitely ahead. Wethers are worth up to 7.60, ewes around 7.00, yearlings 8.35. Young native breeding ewes sold this morning at 8.50, good mouth breeders around 7.50.

## Couldn't Trust Grandson.

Maude Fulton, the clever actress, has a fund of anecdotes, and here's one of the best among them: "She had stopped, panting, by the road to rest. It was the shell road in Pass Christian, and she was black. Beside her was a heavy market basket filled to overflowing. A passerby smiled and she responded with a full and free confidence. 'Yass'm, I is some tired. An' lame. All painful wid miseries. Yass'm I coulda done sen' someone else to mahket fo' me. Mah grandson he coulda gone. But I dasn't trust him. He spends mah money too briefly.'—Young's Magazine.

C. C. Layton of Boaz is here today to receive a fine registered Hereford bull from Kansas.
